- BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH -

In the Matter of the Petition of Integrated Water Management LLC for a Declaratory Order	)	DOCKET NO. 11-999-08 ORDER EXTENDING TIME TO FILE RESPONSES

ISSUED: September 7, 2011

By The Commission:

On July 18, 2011, Integrated Water Management, LLC ("IWM") petitioned the Commission to issue a declaratory order to the effect that IWM may purchase gas from Questar Gas Company "(Questar") at the location where Questar purchases gas from El Paso Midstream Investment Company ("El Paso"), without subjecting El Paso to regulation as a "public utility," as defined in Utah Code Ann. § 54-2-1.

On August 1, 2011, the Commission ordered the Utah Division of Public Utilities and all other parties interested in this petition to file responses by September 8, 2011, stating their positions on the petition and all supporting legal authorities and arguments.

On August 30, 2011, Questar Gas Company filed a motion requesting an extension of the time for filing responses to September 30, 2011. In its motion, Questar Gas Company states it was not served with the petition for declaratory order and needs more time to evaluate the issues it raises.

The motion is granted. The responses of all parties to the petition for declaratory order shall be filed not later than September 30, 2011.

DATED at Salt Lake City, Utah, this 7th day of September, 2011.
