In the Matter of the Business Line  
Affordable Base Rate for  
Telecommunications Services

DOCKET NO. 16-R360-03

NOTICE OF TECHNICAL  
CONFERENCE

---

ISSUED: June 8, 2016

**NOTICE OF TECHNICAL CONFERENCE**

A technical conference will be held in this docket on **Tuesday, August 16, 2016, beginning at 9:30 a.m. (MDT), Fourth Floor Room 401, Heber M. Wells Building, 160 East 300 South, Salt Lake City, Utah.** The purpose of the technical conference is to discuss whether the current \$26 affordable base rate for business telecommunication services should be modified.

The Commission requests that the Utah Rural Telecom Association prepare to lead the discussion. The Commission notes that a business affordable base rate has been adopted in Utah because business lines are generally required to carry significantly higher calling volumes than are residential lines. The Commission is interested in seeing data to demonstrate whether a business rate continues to be necessary in light of technological advancements that have affected the telecommunications industry.

Individuals wishing to participate in the technical conference by telephone should contact the Commission two days in advance by calling (801) 530-6716 or (toll-free) 1-866-PSC-UTAH (1-866-772-8824). Participants attending by telephone should then call the Commission at the same number listed above five minutes prior to the technical conference to ensure participation.

In accordance with the Americans with Disabilities Act, individuals needing special accommodations (including auxiliary communicative aids and services) during the conference
