RE:  
Docket No. 00-035-T01      Tariff P.S.C.U. No. 42, Re: Proposed  
Schedule 70 - Tariff Revisions Attributable to the Recently  
Approved Merger between PacifiCorp and Scottish Power in  
Docket No. 98-2035-04

Dear Ms. Son:

The Commission has reviewed the Annual Report of the Blue Sky Program submitted on March 31, 2009.

The Division has recommended that the Commission acknowledge the Annual Report. The Divisions also recommends the Commission to direct the Company to file a report on the status of the \$900,000 balance for the RECs as an amendment to this report. Now therefore, the Annual Report, has hereby been acknowledged by the Commission. The Commission also directs the Company to file a report on the status of the \$900,000 balance for the RECs as an amendment to this report.

Sincerely,

/s/ Julie Orchard  
Commission Secretary
