Ref: Docket No. 00-035-T07. Reporting for the Low Income Lifeline Program

In this Docket, PacifiCorp (Company) is required to submit a Quarterly Report to the Commission and the Division. This report contains all the data that the Division uses to evaluate the effectiveness of the HELP program. Besides this report, the Company also provides responses to Division Data Requests 1.1, 1.2, 1.3, 1.4, and 1.5. The Division thinks that the information contained in these responses is provided in the Quarterly Report and therefore is redundant. Therefore, the Division no longer has any use for these responses and will not require the Company to continue providing it.
