DOCKET NO. 02-035-04
PROCEDURAL AND THIRD
SCHEDULING ORDER

ISSUED: December 22, 2003

By the Commission:

Pursuant to the Second Scheduling Order issued November 13, 2003, a technical conference was held in this matter on December 9, 2003. Representatives from the Commission, Commission staff, PacifiCorp, the Division of Public Utilities, the Committee of Consumer Services, the Utah Association of Energy Users, the Utah Industrial Energy Consumers, the United States Federal Executive Agencies (via phone) and Salt Lake Community Action Program participated in the meeting and discussed procedures, issues and scheduling.

During the technical conference, parties offered their comments regarding the type of proceeding that should be used in this docket. After hearing from parties, we decide that a formal adjudicative process will best ensure parties' due process and allow Commission staff involvement with proper notice and documentation. PacifiCorp then led a discussion of each aspect of the proposed Inter-Jurisdictional Cost Allocation Protocol. Finally parties discussed the remaining schedule for this docket. PacifiCorp presented current scheduled "Protocol" hearing dates in Oregon and Wyoming. Hearing dates of July 12-13, 2004 for Utah were selected to coordinate with those states. However, we now have a conflict with those dates and therefore make a slight modification to the agreed upon schedule.
