**Re: In the Matter of Comcast Cable Communications, Inc., a Pennsylvania Corporation vs. PacifiCorp, dba Utah Power, an Oregon Corporation.  
Docket No. 03-035-28**

Dear Mr. Sackett:

This letter acknowledges Commission receipt of the parties' Settlement Agreement and Mutual Release ("Agreement"), dated June 17, 2005, and notifies the parties that, given the terms of the Agreement, as well as the parties' Joint Motion to Approve Settlement and Terminate Proceedings filed on June 21, 2005, the Commission considers this docket closed.

By Order dated December 21, 2005, the Commission provided Comcast the opportunity to submit additional evidence of pole attachment authorization to PacifiCorp and seek appropriate reimbursement from PacifiCorp. Comcast having done so, and the parties having engaged in negotiations resulting in the terms of the Agreement, the Commission determines that no further action is required in this docket.

Sincerely,

/s/ Julie Orchard  
Commission Secretary
