RE: Docket No.03-2035-02

Dear Mr. Stewart:

The Commission has reviewed the rate design, billing determinates and rates submitted February 9, 2004; in association with the Revenue Spread and Rate Design Stipulation in Docket No. 03-2035-02. The material had been requested by Chairman Campbell as a follow up to Mr. Griffith's testimony.

The Division has recommended that the Commission approve consistent tariffs filed with the Commission, if two corrections are made as outlined in the Division's March 8, 2004, memo. The Division stated that Pacificorp has filed corrected sheets reflecting these changes. Now therefore, the revisions are hereby approved by the Commission.

Sincerely,

/s/ Julie Orchard
Commission Secretary
