Re: Docket # 04-035-04

Dear Ms. Wilson:

Please find enclosed a copy of our 8-k Current Report filed today with the SEC with respect to the termination of our deal with Desert Power, L.P. In light of statements made by Karl Miller, MMC Chief Executive Officer at the PSC Technical Review Meeting that it was our good faith belief that we had a deal with Desert Power pending the outcome of the Meeting, we feel obliged to inform you soonest of this unexpected development.

Best Regards,

Denis Gagnon
