BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

In the Matter of the Application of PACIFICORP dba UTAH POWER & LIGHT COMPANY for Approval of Its Proposed Power Cost Adjustment Mechanism	Expedited Motion to Revise the Schedule for Response to the Motion to Dismiss Docket No. 05-035-102
---	--

The Division of Public Utilities and the Committee of Consumer Services file this expedited Motion to revise the schedule for responses to the Motion to Dismiss Pacificorp's Application for approval of a Power Cost Adjustment Mechanism (PCAM) filed by the Utah Industrial Energy Consumers (UIEC) and in support of this Motion to revise the schedule state as follows:

1. On May 10, 2006 UIEC filed with the Commission a Motion to Dismiss the PCAM filing of the company and presumably to end this docket. Responses to the Motion are currently due on May 24, 2006 and replies to the May 24th filing are currently due on June 5, 2006.
2. Currently testimony in this docket is due in early August and hearings are scheduled in late October. Discovery has been occurring and a variety of technical conferences have

been held over the past months on the subject of a PCAM. Those processes will continue while this Motion is being heard.

3. Both because of the nature of the Motion and because of scheduling issues with both the Division and Committee a new schedule to respond is requested.

4. The Division and Committee request the follow schedule apply:

Response from May 24 to June 9

Reply from June 5 to June 23

5. The Division and Committee do not believe that any party is prejudiced by this delay.

UIEC does not object to the delay. UAE supports the change in the schedule. The Company did not provide a response to the requested schedule change prior to filing this Motion. Other parties have not been contacted. The Division and Committee request that the Commission approve this Motion as soon as possible.

Respectfully submitted this _____ day of May, 2006.
