To the Public Service Commission of Utah:

Berkshire Hathaway Inc., as an affiliate of MidAmerican Energy Holdings Company (MEHC), submits this letter in compliance with the Commission's Order in this case issued on January 27, 2006 and amended on March 15, 2006. The Order approved the Stipulation supporting MEHC's acquisition of PacifiCorp from ScottishPower.

Commitment U20 of the Stipulation provides that, at the time of closing of the transaction, MEHC will file with the Commission a letter from Berkshire Hathaway committing to be bound by Commitments 4 and 5 and any other commitments applicable to affiliates of MEHC.

The MEHC acquisition of PacifiCorp closed March 21, 2006. Therefore, in compliance with Commitment U20 of the Stipulation, Berkshire Hathaway commits to be bound by Commitments 4 and 5 of the Stipulation. Berkshire also agrees to be bound by any other commitments in the Stipulation applicable to affiliates of MEHC. Please note however that by this letter, Berkshire Hathaway does not guarantee or agree to be responsible for the performance of any commitments made by MEHC or PacifiCorp.

This letter is submitted by the undersigned, who as an officer of Berkshire Hathaway, has authority to bind the company.

Very truly yours,

/S/
