Re: **Docket No. 035-35-54**

Joint Application of MidAmerican Energy Holdings Company and PacifiCorp d/b/a Utah Power & Light Company for an Order Authorizing Proposed Transaction

Dear Ms. Orchard:

In its March 14, 2006 Order in this docket, the Commission directed PacifiCorp to file “a summary of the terms of the stipulated agreement, amended stipulated agreement, consolidated commitments and amended commitments from most favored states process, approved in this matter.” In compliance with that direction, please find enclosed for filing with the Commission a summary of the terms and commitments approved in this matter.

Please note that the summary does not include Commitment U 27. As explained in the Second Amendment to Stipulation and Motion for Approval of the Second Amendment to Stipulation, both of which are also enclosed for filing, Commitment U 27 was not included in the compilation because it had been replaced, as contemplated in commitment U 27, by commitment U 43. Mistakenly, that fact was not reflected in the Amendment to Stipulation. The enclosed Second Amendment to the Stipulation is intended to correct that mistake.

Please contact us if you have any questions. Thank you for your assistance.

Very truly yours,

Edward A. Hunter

Joint Counsel for MidAmerican Energy Holdings Company and PacifiCorp
