Docket No. 06-035-21

**PETITION TO INTERVENE OF THE
MILLION SOLAR ROOF PARTNERSHIP**

Pursuant to Utah Code Ann. § 63-46b-9 (1992) and Utah Admin. Code § R746-100-7, Million Solar Roof Partnership, (MSRP) hereby move for leave to intervene in the above-referenced proceeding before the Public Service Commission of Utah.

In support of this Petition to Intervene, the MSRP states as follows:

1. On March 7, 2006, PacifiCorp (d.b.a. Utah Power & Light Company) (“PacifiCorp”) filed an Application with the Commission for approval of its proposed Electric Service Schedules and Electric Service Regulations.

2. Million Solar Roof Partnership is a coalition seeking to reduce the financial barriers associated with the adoption of photovoltaic generation of electrical energy. The Coalition consists of Salt Lake City Corporation, the U.S. Department of Energy, Sarah Wright of Utah Clean Energy and Richard Collins of Westminster College.

3. The MSRP requests intervention in this docket to have their interests represented and such interests will not be adequately represented by any other party to this proceeding.

4. The nature of our intervention will be primarily to support the approval of funds requested by the Company to support its proposed pilot program for a photovoltaic solar roof buy-down program. There may be other interests of MSRP that could arise during the course of the proceeding and we reserve the right to advocate for those interests.

5. If the coalition herein referred to as MSRP is granted leave to intervene in this proceeding, it hereby requests that service of all pleadings, notices, etc. be made to the following:
