BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

IN THE MATTER OF THE PETITION OF WASATCH WIND, LLC FOR APPROVAL OF A CONTRACT FOR THE SALE OF CAPACITY AND ENERGY FROM THEIR PROPOSED QF FACILITIES	Docket No. 06-035-42 PETITION TO RESCHEDULE PROCEEDING
---	--

Wasatch Wind, LLC, a qualifying facility under the Public Utilities Regulatory Policy Act (PURPA), requests a rescheduling of the surrebuttal submissions and a new hearing date for this proceeding. Wasatch Wind has been in communication with the parties and they have graciously agreed to the delay. The potential for settlement as well as the traveling schedules of Wasatch Wind witnesses are the impetus for this request. The additional time will allow Wasatch Wind the opportunity to explore a settlement and will allow it the time to get its testimony and exhibits in order for presentation before the Commission. We feel that the additional time will result in the production of better information on which the Commission can make a decision. We believe this is in the public interest. After consultation with the Commission's secretary, we request that the hearing date be rescheduled for June 22, 2006 and the submission date for surrebuttal testimony be delayed until June 14, 2006.

Wasatch Wind hereby submits this Petition in Docket No. 06-035-42.

DATED this 5th day of June, 2006
