BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

In the Matter of the Application of ROCKY MOUNTAIN POWER for Authority to Change Its Depreciation Rates Effective January 1, 2008

Docket No. 07-035-13

ROCKY MOUNTAIN POWER'S UNOPPOSED MOTION TO AMEND REVISED SCHEDULING ORDER

Rocky Mountain Power, a division of PacifiCorp ("Rocky Mountain Power"), hereby moves the Public Service Commission of Utah ("Commission") to amend the Revised Scheduling Order dated October 26, 2007. Specifically, Rocky Mountain Power requests that paragraph 2 of the Revised Scheduling Order be amended to move the date for the filing of surrebuttal testimony from Friday, December 14, 2007 to Friday, December 21, 2007.

The grounds for this Motion are as follows:

1. Rocky Mountain Power and the two other parties to this docket that have filed testimony, the Division of Public Utilities ("Division") and the Committee of

Consumer Services ("Committee"), are engaged in serious settlement negotiations that

have the potential of resulting in a settlement among the parties of all issues in this

docket.

2. The witnesses for the parties are directly involved in the settlement

negotiations, thus making it difficult for them to simultaneously prepare and finalize their

surrebuttal testimony.

3. In the event the settlement negotiations do not result in a proposed

settlement, the short delay in the filing of surrebuttal testimony proposed herein will not

cause a delay in the hearings scheduled for January 15-17, 2008.

4. The Division, Committee, and the Utah Association of Energy Users

("UAE") have authorized Rocky Mountain Power to represent to the Commission that

they do not oppose this Motion.

Based on the foregoing, Rocky Mountain Power hereby requests that the

Commission amend paragraph 2 of the Revised Scheduling Order to move the date for

the filing of surrebuttal testimony from Friday, December 14, 2007 to Friday, December

21, 2007.

DATED: December 7, 2007.
