RE: Rocky Mountain Power, Generic Protective Order, Docket No. 07-035-15

I. ISSUE

Pursuant to Senate Bill 235, Rocky Mountain Power petitioned the Public Service Commission (“Commission”) for approval of a generic protective order. The intent of the generic protective order was for the Commission to use it as the standard form of a generic protective order for all proceedings brought before the Commission pursuant to §54-17-501. Senate Bill 235 required the Commission to act within 30 days from the effective date of the bill. The Governor approved the bill on March 14, 2007.

II. RECOMMENDATION

The Generic Protective Order was issued by the Commission on April 17, 2007, under Docket No. 07-999-03. Unless directed otherwise by the Commission, the Division believes this satisfies the action request for approval of a generic protective order pursuant to Senate Bill 235.
