ISSUED: April 1, 2009

By The Commission:

On March 26, 2009, the parties held a duly noticed scheduling conference. After a discussion about procedure and scope of discovery, and the impact of a pending appeal on this matter, Heber Light & Power (HL&P) suggested that they might move for a stay of the proceedings at the Commission level. However, before making such a motion, HL&P and Rocky Mountain Power (RMP) would discuss some issues related to a possible stay. Therefore, based on the representations of the parties the Commission enters the following Interim Scheduling Order:

HL&P's Motion to Stay filed Wednesday, April 8, 2009

RMP's Response Monday, April 27, 2009

HL&P's Reply Monday, May 11, 2009

All other provisions of the Commission's February 25, 2009 Report and Order related to scheduling remain effective.

DATED at Salt Lake City, Utah, this 1st day of April, 2009.
