BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

In the Matter of the Complaint of Rocky Mountain Power, a Division of PacifiCorp, Against Heber Light & Power Regarding Unauthorized Service by Heber Light & Power in Areas Certificated to Rocky Mountain Power

Docket No. 07-035-22

MOTION TO STAY PROCEDURAL SCHEDULE AND TO SCHEDULE STATUS AND SCHEDULING CONFERENCE

Rocky Mountain Power, a division of PacifiCorp (“Rocky Mountain Power”), pursuant to Utah Code Ann. § 54-7-1, requests that the Commission (1) stay the procedural schedule set forth in the Scheduling Order issued March 11, 2008 for a period of 30 days to allow further settlement discussions among the parties and (2) schedule a status and scheduling conference following the 30-day period to receive a report of the status of the settlement discussions and to schedule further proceedings as necessary. It is anticipated that parties may file responses to the

Motion to Dismiss filed by Heber Light & Power Company or may update their responses, if previously filed, following the stay in accordance with the further schedule established.

Rocky Mountain Power has contacted other parties to this docket and is authorized to represent that no party opposes this Motion.

The basis for this Motion is that the Wasatch County Council agreed April 16, 2008, to delay action on a franchise ordinance for HLP for a period of 30 days while the parties attempt to resolve disputed issues. In light of this agreement, the parties have agreed to stay this proceeding during that 30-day period. Section 54-7-1 encourages parties to attempt to settle issues pending before the Commission. Therefore, it is in the public interest for the procedural schedule to be stayed to allow the parties to pursue settlement discussions.

For the reasons set forth herein, Rocky Mountain Power respectfully requests that the Commission enter an order (1) staying the procedural schedule set forth in the Scheduling Order, issued March 11, 2008 for a period of 30 days to allow the parties to allow further settlement discussions among the parties and (2) scheduling a status and scheduling conference following the 30-day period to receive a report of the status of the settlement discussions and to schedule further proceedings as necessary.

RESPECTFULLY SUBMITTED: April 18, 2008.
