

1 **Q. Are you the same C. Craig Paice who has previously testified in this proceeding?**

2 A. Yes I am.

3 **Purpose of Testimony**

4 **Q. What is the purpose of your supplemental direct testimony?**

5 A. The purpose of my supplemental direct testimony is to supplement my direct
6 testimony filed in this docket in response to the Commission's Order on Test Period
7 issued on February 14, 2008. The cost of service study accompanying this testimony
8 uses a forecast twelve month test period ending December 31, 2008 and a proposed
9 price increase of \$99.8 million.

10 **Q. Please identify Exhibit RMP___(CCP-1S) and explain what it shows.**

11 A. Exhibit RMP___(CCP-1S) contains the summary tables from PacifiCorp's Twelve
12 Months Ending December 2008 Class Cost of Service Study for the State of Utah and
13 supersedes Exhibit RMP___(CCP-1). It is based on PacifiCorp's annual results of
14 operations for the State of Utah as presented in Exhibit No. RMP___(SRM-1S) in Mr.
15 McDougal's supplemental direct testimony and summarizes, both by customer group
16 and by function, the results of the cost study for the twelve months ending December
17 31, 2008. Page 1 presents the results at the Company's December 2008 Rate of
18 Return assuming current rate levels. Page 2 shows the results using the return
19 provided by the \$99.8 million revised protocol mitigation cap price increase.

20 **Q. Please identify Exhibit RMP___(CCP-2S) and explain what it shows.**

21 A. Exhibit RMP___(CCP-2S) replaces Exhibit RMP___(CCP-2) and shows the cost of
22 service results in more detail by class and by function. Page 1 summarizes the total

23 cost of service summary by class and pages 2 through 6 contain a summary by class
24 for each major function.

25 **Changes in Cost of Service Study**

26 **Q. How does this cost of service study vary from the study previously filed in this**
27 **docket?**

28 **A.** With the exception of the test period change, the methodologies and procedures used
29 to prepare this study are the same as those presented in the study that accompanied
30 my direct testimony.

31 **Workpapers**

32 **Q. Have you included your workpapers?**

33 **A.** Yes. Workpapers that replace Exhibit RMP__(CCP-3) and show the complete
34 functionalized results of operations and class cost of service detail are included as
35 Exhibit RMP__(CCP-3S). Also included in the workpapers is a detailed narrative
36 describing the Company's functionalization, classification and allocation procedures.

37 **Q. Does this conclude your testimony?**

38 **A.** Yes it does.
