ISSUED: June 3, 2008

By the Commission:

To all Parties in this docket, the Commission requests that each party that is proposing a Net Power Cost Adjustment provide sufficient details in electronic format and the associated working files for their final GRID run(s) in this docket to the Commission by the close of the Revenue Requirement hearings. The intent of this request is for the Commission to have sufficient detail to replicate each proposed adjustment in the GRID power cost model.

Specifically please provide at least the following:

1. GRID Scenario

2. Net power cost report
3. Net power cost report of the comparison scenario
4. Calculation of the adjustment amount
5. All export files
6. Relevant work papers and supporting documents with all formulas intact for the adjustment.

It is the Commission's understanding that PacifiCorp issued a similar data request earlier in this docket, and as such we do not believe this request will require much additional
