Subject: Motion of Rocky Mountain Power for an Accounting Order to Establish a Regulatory Asset and Acquisition Premium, Docket No. 08-035-35.

On April 11, 2008 Rocky Mountain Power (Company) filed a motion to request that the Utah Public Service Commission (Commission) enter an accounting order to establish a regulatory asset for the proposed acquisition of an electric generation plant. The proposed acquisition is the subject of the Request for Waiver of the Solicitation Process and for the Approval of a Significant Energy Resource Decision.

On April 15, 2008 the Commission issued a Procedural Order and Notice of Hearing for the waiver request and approval. The Division requests that the Commission hold a scheduling conference on the motion for an accounting order. The Division also requests that the schedule for the accounting order be consistent with the Procedural Order and Notice of Hearing.
