Re: Notice of Intent to File General Rate Case

In its final order in Docket 06-035-21 issued on December 1, 2006, the Utah Commission approved the Stipulation Regarding Revenue Requirement and Rate Spread. Paragraph 12 of that stipulation states that “PacifiCorp will provide notice to the Parties of its intention to file its next general rate case at least 60 days prior to the date that it actually files its next general rate case.”

That provision of the Stipulation mentioned above was satisfied with the filing of Docket 07-035-93 now pending before the Commission. As a courtesy and in accordance with the spirit of the Stipulation, Rocky Mountain Power hereby provides notice of its intent to file a general rate case on or soon after June 6, 2008.

Sincerely,

Jeffrey K. Larsen  
Vice President, Regulation
