MEMORANDUM

From: Commission Staff
To: Docket No. 08-035-38
Date: May 21, 2009
Re: Commission Staff Cost of Service Model Format

On May 7, 2009, the Commission approved the Stipulation in Cost of Service and Rate Spread – Phase II which included a requirement Rocky Mountain Power form a workgoup to discuss its cost-of-service model.

In preparation for that workgoup discussion, Commission Staff has prepared an Integrated Revenue Requirement and Cost of Service Model which restates Rocky Mountain Power's cost of service model in an Excel Workbook format.
