

ELECTRIC SERVICE SCHEDULE NO. 110 - Continued

(L)
p.3

The Application Deadline will be determined by the Company, posted on the program web site, and communicated to ENERGY STAR New Homes Program builders with a minimum 60 days notice. The number of applications received by Company and the equipment packages installed will be factors in determining the 2008 Application Deadline.

(C)
(C)
(C)

Qualifying equipment receiving incentives under the ENERGY STAR New Homes Program may not receive equipment purchase and installation incentives under other Company programs.

(C)

ENERGY STAR New Homes Program builders are required to sign and abide by the terms of the Builder Participation Agreement and program contract.

(C)
(C)

Newly-constructed residences must have qualifying equipment installed in order to receive Energy Star certification through this program.
