Energy Charge
6.0799 per kWh for all kWh

SURCHARGE ADJUSTMENT: All monthly bills shall be adjusted in accordance with Schedule 193.

LINE EXTENSION ALLOWANCE: Service under this schedule shall be subject to the provisions of Electric Service Regulation No. 12 with the following exceptions. The line extension allowance shall be the Non-Residential multiple of revenue calculated using the revenue from the Energy Only option in this schedule. The allowance applies to any extension of the distribution system not included in Fixture Service as described above. All costs to extend the existing distribution facilities not covered by the line extension allowance or included in fixture service shall be at the expense of the customer.

LAMP CONVERSIONS: Upon written request of a Full Service Customer the Company will convert existing street lighting facilities to other decorative street lights available under this schedule. In such an event, Customer shall pay to Company an amount equal to the estimated removal, relocation, and rearrangement costs, plus depreciated value of the facilities removed, minus salvage. Lamp conversions are subject to all the provisions of the line extension allowance described above.
