Customer participants who sign up during the Summer peak season (June, July, August)	Installed in June \$15 Installed in July \$10 Installed in August \$5	Installed in June \$30 Installed in July \$20 Installed in August \$10

The amount or structure of the incentive is subject to change in each of the Program years. Any proposed incentive changes for the control period will be filed with the Commission for approval.

PROVISIONS OF SERVICE: Incentives are limited to one per controlled Central Air Conditioner. If the Customer has more than one central air conditioner, they may participate in the Program, however all air conditioners must be subject to load control Units. Pro-rated incentives are calculated based on weekdays only, excluding holidays. Incentives will be issued as a credit to the Customer's November bill. Customers who qualified for the incentive, but are no longer customers of the Company, will receive a check in lieu of a bill credit.

Customers served by the Company under Schedules 6, 6A, 6B, 8, 9, 9A, 23 and 23B that elect to choose a direct load control thermostat in place of a direct load control unit installed on their air conditioning unit are not eligible to participate in the incentives as described above.

ELECTRIC SERVICE REGULATIONS: Service under this Schedule will be in accordance with the terms of the Electric Service Agreement between the Customer and the Company. The Electric Service Regulations of the Company on file with and approved by the Public Service Commission of the State of Utah, including future applicable amendments, will be considered as forming a part of and incorporated in said Agreement.
