Re: Application of Milford Wind Corridor Phase I, LLC and Milford Wind Corridor Phase II, LLC

Motion to Dismiss the Application of Milford I and Milford II for Certificates of Convenience and Necessity.

Dear Ms. Orchard:

Enclosed for filing with the Public Service Commission please find an original and five copies of the above-referenced Application for Certificates of Convenience and Necessity ("Application").

Also enclosed for filing is an original and five copies of the above-referenced Motion to Dismiss the Application on the grounds that a certificate is not required in this particular case. Because the Commission's Rules allow only 15 days for parties to respond to a motion, we request that the Commission promptly issue notice of this filing, so that potential interveners will have adequate opportunity to respond to the Motion.

I have also caused to be filed an electronic copy of said Application and Motion by sending them in Word format to mlivingston@utah.gov. Please note that some of the Exhibits to the Application are not available in Word format and have been submitted electronically as .pdf documents.
