PROCEEDINGS

COMMISSIONER LEVAR: Okay. We're here in Public Service Docket 09-035-15 in the Matter of the Application of Rocky Mountain Power for Approval of its Proposed Energy Cost Mechanism Adjustment. This is the public witness hearing. The notice of this hearing indicated that the hearing would remain open long enough to give anyone who is present by 5:30 a reasonable opportunity to provide public comment to the Commission. I understand someone is managing a sign-in list; is that correct? Mr. Martinez, do we have anyone yet?

MR. MARTINEZ: We do not have anyone.

COMMISSIONER LEVAR: Okay. So it looks like we have one minute of awkwardness to look at each other or listen to anyone who wants to come and present public witness testimony. I'm out of things to say now. Why don't we go off the record for a moment or two.

(A brief recess was taken.)

COMMISSIONER LEVAR: It appears we do not have anyone from the public who is here to give public witness testimony or comments in this proceeding, so we're adjourned.

(The proceedings concluded at 5:30 p.m.)
