UIEC Data Request 18.1

UIEC Data Request 18.1

Please state the number of transactions entered into or that will be entered into by Rocky Mountain Power (“RMP”)/PacifiCorp for the purchase of power where the purchase is to be delivered in 2010. Is that number representative of the number of transactions RMP/PacifiCorp typically enters into? If not, what is typical?

Response to UIEC Data Request 18.1

Through 9/23/2010, the Company had approximately 444 electric financial purchases and 554 sales, and approximately 10,942 electric physical purchases and 12,902 sales. These numbers are typical of PacifiCorp’s recent past.
