ISSUED: March 16, 2011

By The Commission:

In its March 3, 2011, Corrected Report and Order ("Order"), the Commission approved an energy balancing account for PacifiCorp, doing business in Utah as Rocky Mountain Power. Notice of the right to apply for agency review or rehearing, and to seek judicial review was inadvertently omitted from the Order. The following sentences are hereby added to the Order, beginning at the bottom of page 81, immediately following ordering paragraph 4:

"Pursuant to Sections 63G-4-301 and 54-7-15 of the Utah Code, an aggrieved party may request agency review or rehearing of this Order by filing a written request with the Commission within 30 days after the issuance of this Order. Responses to a request for agency review or rehearing must be filed within 15 days of the filing of the request for review or rehearing. If the Commission does not grant a request for review or rehearing within 20 days after the filing of the request, it is deemed denied. Judicial review of the Commission's final agency action may be obtained by filing a petition for review with the Utah Supreme Court within 30 days after final agency action. Any petition for review must comply with the requirements of Sections 63G-4-401 and 63G-4-403 of the Utah Code and Utah Rules of Appellate Procedure."
