Re: Docket No. 09-035-20  
Rocky Mountain Power Hourly QF Purchases – First Quarter 2011

In its December 23, 2009, order in Docket 09-035-20 approving Qualifying Facility sales from US Magnesium to Rocky Mountain Power and in subsequent approvals the Utah Commission directed Rocky Mountain Power to provide hourly power purchased under the PPA on a quarterly basis. In accordance with that order, enclosed is a CD that includes the hourly delivered energy from US Magnesium, Kennecott, and Tesoro to Rocky Mountain Power for the period January 1, 2010 through March 31, 2011. You will note that there were no QF sales from Kennecott to Rocky Mountain Power during this period. The enclosed information is confidential and provided under the terms of the protective order in this docket.

It is respectfully requested that all formal correspondence and staff requests regarding filing this should be addressed to:
