BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

In the Matter of the Application of Rocky Mountain Power for Authority to Increase its Retail Electric Utility Service Rates in Utah and for Approval of its Proposed Electric Service Schedules and Electric Service Regulations	Docket No. 09-035-23 UTAH OFFICE OF CONSUMER SERVICES' REQUEST TO ESTABLISH A SCHEDULE FOR RATE DESIGN TESTIMONY AND HEARING
---	--

In its August 4, 2009 Scheduling Order in this docket and for Docket No. 09-035-15, the Commission stated:

The Commission will address rate of return, revenue requirement, and cost of service aspects of this case in Phase I and will address final rate design in Phase II. Although the Commission has included in this scheduling order the Phase II schedule outlined at the July 14, 2009, Scheduling Conference, the Commission recognizes that the dates proposed anticipated hearings for Phase II Rate Design matters at an earlier time than they will likely be addressed in light of our decision on the bifurcation request and the schedules we have set for this docket and Docket No. 09-035-15. *As such, we will consider a party's request to vacate the Phase II schedule relating to the filing of rate design testimony and set a schedule for testimony filing and hearing dates at a future scheduling conference for Phase II.* [Emphasis added.]

Accordingly, the Utah Office of Consumer Services requests that the Commission vacate the Phase II schedule relating to the filing of rate design testimony and set a schedule for filing testimony and for hearings that is compatible with the new Phase I hearing dates to be set at the August 18, 2009 scheduling conference.

RESPECTFULLY SUBMITTED this 11th day of August 2009.

Paul H. Proctor
Assistant Attorney General
Utah Committee of Consumer Services
