BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

In the Matter of the Application of Rocky Mountain Power for Authority To Increase its Retail Electric Utility Service Rates in Utah and for Approval of Its Proposed Electric Service Schedules and Electric Service Regulations.)	DOCKET NO. 09-035-23
)	UIEC'S RESPONSE TO PUBLIC SERVICE COMMISSION'S DATA REQUEST
)	
)	

Pursuant to the data request issued by the Utah Public Service Commission ("Commission") in the above-referenced proceeding, the group of industrial customers whose names appear on this record and who are identified on the record as the Utah Industrial Energy Consumers ("UIEC"), submits this proposed Net Power Cost Adjustment for the costs associated with the contract between PacifiCorp and Nevada Power Company d/b/a NV Energy November 1, 2009, regarding sales from PacifiCorp to NV Energy for renewable energy and renewable energy attributes. It is UIEC Confidential Exhibit Cross No. 1.

The method of calculation for this adjustment is set forth in the cross examination testimony of Dr. Falkenberg at Vol. IV, 693:18 to 694:5, December 15, 2009. This is attached hereto as Attachment A. The price relied on is the Intercontinental Exchange Index.

The UIEC proposes this adjustment due to the fact that it is an update not included when the Company made updates to its net power costs. For the sake of evenhandedness, either all updates should be made or none, at least until the Commission is able to have a rulemaking to further clarify the availability of updates.

RESPECTFULLY submitted this 23rd day of December, 2009.

/s/ Vicki M. Baldwin
