Re: Advice No. 09-06
Compliance Filing to Implement the Commission's Phase I Order on Revenue Requirement in Docket No. 08-035-38

Enclosed for filing are an original and two copies of proposed tariff pages associated with Tariff P.S.C.U. No. 47 of Rocky Mountain Power applicable to electric service in the State of Utah. Pursuant to the requirements of Rule R746-405-2D, Rocky Mountain Power (the "Company") states that the proposed tariff sheet does not constitute a violation of state law or commission rule. The Company will also provide an electronic version of this filing to tbehr@utah.gov. As ordered by the Commission, the Company respectfully requests an effective date of May 8, 2009.

Eleventh Revision Sheet No. B.1A		Index Sheet
Original Sheet No. 98	Schedule 98	Tariff Rider Rate
Second Revision Sheet No. 193.2	Schedule 193	DSM
Cancel Third Revision of Sheet No. 97	Schedule 97	Tariff Rider Rate

This filing is submitted in compliance with the Commission's Phase I Order on Revenue Requirement issued April 21, 2009 in Docket No. 08-035-38 implementing a \$45.0 million increase in annual revenue requirement. Proposed Schedule 98 applies a uniform percentage increase of 6.40 percent ordered by the commission to all tariff customers' bills as a line item for service. The 6.40 percent rate is the result of a 3.34 percent (\$45.0 million) increase applied to current rates including the current 2.96 percent Schedule 97 rider.

This filing will also revise Schedule 193 to reference the charges from Schedule 98, cancel Schedule 97 and revise the Index Sheet No. B.1A to eliminate Schedule 97 and add Schedule 98.

It is respectfully requested that all formal correspondence and staff requests regarding this matter be addressed to:
