RE: Compliance Filing – Docket No. 09-035-T08

Dear Mr. Widerburg:

On August 29, 2009, the Public Service Commission of Utah ("Commission") issued an order in the above referenced docket approving the Phase I Stipulation filed August 3, 2009 in the same ("Stipulation"). As agreed to in the Stipulation, in the event that expenditures for the Company's demand-side management ("DSM") programs reach 90% of the forecasted level prior to December 1st of the current year, the Company must notify the Office of Consumer Services ("OCS"), Division of Public Utilities ("DPU"), Commission and DSM Advisory Group[1] ("Steering Committee") that the 90% threshold has been reached. Upon notification, parties are free to take any action or seek any changes not inconsistent with the Stipulation that it deems appropriate.

Accordingly, in compliance with the Stipulation, the Company provides notice to the Commission that as of August 2014, year-to-date expenditures totaled $59,849,890, which was over 90% of the 2014 forecast of $62,065,874 filed with the Commission on November 1, 2013 in Docket No. 13-035-183. The Steering Committee was informed of the increased expenditure levels in the October 14, 2014, Steering Committee meeting, which included representatives of DPU and OCS.

An original and ten (10) copies of this filing will be provided via overnight delivery. The Company will also provide electronic versions of this filing to psc@utah.gov.

[1] In context of this filing, DSM Advisory Group is redefined as the DSM Steering Committee.

Informal inquiries may be directed to Michael Snow at (801) 220-4214.

Sincerely,

Kathryn Hymas
Vice President, Finance and Demand Side Management
