RE: Docket No. 09-035-T08. Advice Filing 09-08 – Schedule 193 – Demand Side Management (DSM) Cost Adjustment – Forth Revision of Sheet No. 193.2.

---

**RECOMMENDATION (Approval)**

The Division recommends that the Commission approve Rocky Mountain Power's (Company) proposed revisions to Tariff Sheet No. 193.2, Schedule 193, DSM Cost Adjustment. The Company's proposed revisions are identical to the proposed tariff sheet that was accepted as an attachment contained in the Stipulation that was approved in the Commission's August 25, 2009 order under this docket.

**DISCUSSION**

In its August 25, 2009 order referenced above, the Commission directed the Company to file revisions of its tariff sheets associated with Schedule 193. The Commission directed that these tariff sheets must be consistent with the terms of the Stipulation. This filing meets the proposed tariff revisions, as outlined in an attachment to the Stipulation that was agreed upon by the intervening parties and approved by the Commission. The Division therefore recommends that

the Commission approve the Company's revised tariff changes contained in this filing. The Company is requesting an effective date of September 1, 2009.
