Subject: Docket No. 08-035-38 – Compliance Tariff (Cross Reference 09-035-T09)

Date: July 1, 2009

This filing was submitted in compliance with the Utah Public Service Commission's (Commission) Bench Order of June 15, 2009 on the Stipulation in the Cost of Service and Rate Spread and Rate Design – Phase II in Docket No. 08-035-38. As ordered by the Commission, Rocky Mountain Power (Company) requested an effective date of June 16, 2009 for the proposed tariff pages associated with P.S.C.U. No. 47.

On June 17, 2009, the Company submitted revised tariff sheets in compliance with the Commission's Bench Order. On June 23, 2009, the Division of Public Utilities (Division) submitted a memorandum confirming the rates and tariffs submitted in the Company's June 17 filing with one exception. The Division's memorandum indicated that the Schedule No. 1 Energy Charge, for May through September inclusive, should be 7.5292 cents per kWh for the first 400 kWh, rather than 7.5295 cents per kWh as filed. The current compliance filing corrects this minor typographical error and replaces Schedule 1 Sheet No. 1.2 in the Company's compliance tariffs.
