- All compact fluorescent lamps (CFLs) must be ENERGY STAR qualified to be eligible for incentives.

ENERGY STAR eligibility req. item #3 P.3, 8/6/09 order

(N)

COOPERATIVE MARKETING: In addition to builder incentives listed in Tables 1 and 2, participating builders will be offered the opportunity to participate in a cooperative marketing fund administered by the ENERGY STAR New Homes Program. Participating builders will be expected to pay for a percentage of qualifying Rocky Mountain Power ENERGY STAR New Homes program advertisements and/or promotions with the balance and the Program will provide the remainder of the funds. The formula for the builder contributions will be contained in the Cooperative Marketing Agreement. There is a limited amount of funds and they will be distributed on a first come-first served basis.

ELECTRIC SERVICE SCHEDULE NO. 110 - Continued

PROVISIONS OF SERVICE: To be eligible for incentives, builder must comply with all terms and conditions of the builder participation agreement and submit all required information on individual application forms, including back-up documentation, by the Application Deadline.

Qualifying equipment installed after July 24, 2009 is eligible for incentives in Tables 1 and 2 if all required information, including back-up documentation, is submitted by the Application Deadline. (C)

→ Date specified in 8/6/09 order, item #1, p.3

The Application Deadline will be determined by the Company, posted on the program web site, and communicated to ENERGY STAR New Homes Program builders with a minimum 60 days notice.

Qualifying equipment receiving incentives under the ENERGY STAR New Homes Program may not receive equipment purchase and installation incentives under other Company programs.

ENERGY STAR New Homes Program builders are required to sign and abide by the terms of the Builder Participation Agreement and program contract.

Newly-constructed residences must have qualifying equipment installed in order to receive Energy Star certification through this program.
