Ref: Docket No. 09-035-T14, Advice Filing 09-12: Schedule 37, Avoided Cost Purchases for Qualifying Facilities (QF).

**RECOMMENDATION**

The Division of Public Utilities (“Division”) requests that the Public Service Commission (“Commission”) extend its August 27, 2009 response deadline for the review of Rocky Mountain Power’s (“Company”) filing of its proposed changes to Schedule 37, Avoided Cost Purchases for Qualifying Facilities (QF). The Division needs additional time to more thoroughly complete its investigation of this docket, and requests that the Commission extend the comment deadline to September 3, 2009. This is the same date that the Company has requested as the filing’s effective date. Therefore, the Division recommends that the Commission suspend the tariff for a short duration to accommodate the completion of the Division’s investigative work.
