ISSUE AND EXPLANATION

As part of the scheduling order in this docket, Docket No. 09-2035-01, the Commission directed the Company to file its proposed schedule and rationale for filing dates for future IRPs. On or about May 28, 2009, the Company filed its proposed schedule along with its redline version of the IRP. That same day, the Commission issued an Action Request to the Division seeking comments on the Company's proposed plan. The Division included comments on the proposed schedule as part of its general comments on the Company's IRP filed with the Commission on June 18, 2009. Therefore, unless directed otherwise, the Division considers this Action Request resolved.
