Subject: Raft River Electric Coop Revised Rate Schedules A, B, C, and Time of Day; Docket No. 10-032-T01

ISSUE:

Raft River Electric Cooperative, Inc., (Raft River) filed with the Utah Public Service Commission (PSC) on January 27, 2010, revised Rate Schedules A, B, C, and Time of Day.

RECOMMENDATION:

The Division recommends that the PSC acknowledge Raft Rivers revised rate schedules, with an effective date of November 1, 2009, and make them available for public inspection.

DISCUSSION:

Raft River filed the revised rate schedules with an effective date of November 1, 2009. As of December 2008, Raft River served over an average of 600 Utah customers with 390 classified as residential. Under Schedule A, the Residential Customer Charge, for single phase service, increased from \$15.00 a month to \$20.00. The energy charge for customers with less than a 60 amp service increased from 7.0 cents to 7.5 cents.

Pursuant to 54-4-1.1 of the Utah Code, Raft River's Board of Directors approved these new rates at their regularly scheduled board meeting held on September 16, 2009. Area meetings were held on October 13, 2009 to discuss the changes to Utah members.

The Division recommends the Commission acknowledge the revised Rate Schedules A, B, C and Time of Day of Raft River Cooperative, Inc., effective November 1, 2009, and make them available for public inspection.
