Date: November 8, 2010

Rocky Mountain Power (Company) has requested that the Utah Public Service Commission (Commission) approve its proposed Application for Settlement Agreement with Heber Light & Power Company (Heber) and amend its Certificate of Public Convenience and Necessity (CPCN). Pursuant to Utah Code Ann. § 11-132-204(7)(b)(i), the Company requests that the Commission set a schedule for a public hearing and other proceedings in this matter.

The Company filed for approval of its Application on November 4, 2010 and requests expedited treatment of its Application and amendment of CPCN. In response the Commission issued an Action Request on November 8, 2010, to the Division of Public Utilities (Division). The Division believes that public interest and customer protection issues will need to be addressed in this docket. Therefore, the Division requests that the Commission set a Scheduling Conference at the earliest opportunity. The Division will participate according to the Scheduling Order.
