

Trixie Behr - Fwd: Docket No. 10-035-117

From: Julie Orchard
To: Behr, Trixie; Bintz, Sheri; Paschal, Melissa Robyn
Date: 1/5/2011 3:57 PM
Subject: Fwd: Docket No. 10-035-117
CC: Zenger, Joni

Will you please add this to the docket so all parties are informed that we will be responsible for the public witness portion of the Heber Light and Power hearing. I have asked Joni Zenger to handle it for us. I have asked for the public witness sign-up sheet from Cheryl Murray so we can have it printed and prepared for that Heber Light and Power Public Witness Event that will be conducted from 4:30 - 5:30 p.m. at the Heber City Council Chambers, 75 North Main. Thanks. JPO

Ms. Orchard,

This note is to inform the Commission that the Office of Consumer Services will be participating in person at the "Hearing: case-in-chief" in Docket 10-035-117 scheduled for Monday, January 10, 2011 at 9:00 am in the Heber Wells Building. However, since the Office's issues are limited to a brief position statement, we do not intend to participate in the public witness testimony portion of the case scheduled for later that day in Heber City, Utah and will not have staff or attorney present.

Best Regards,
Michele Beck
