- BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH -

In the Matter of the Application of Rocky Mountain Power for Authority to Increase its Retail Electric Utility Service Rates in Utah and for Approval of its Proposed Electric Service Schedules and Electric Service Regulations	))))))))	DOCKET NO. 10-035-124 ORDER SHORTENING TIME FOR REPLY AND NOTICE OF HEARING

ISSUED: April 7, 2011

By The Commission:

This matter is before us on the motion of UAE Intervention Group ("UAE'), filed March 31, 2011, seeking production of certain documents, an extended testimony filing deadline, and expedited treatment. PacifiCorp ("Company"), doing business in Utah as Rocky Mountain Power, filed a response to the motion on April 5, 2011, contesting the requested relief, except for expedited disposition of the motion.

We agree with both UAE and the Company; expedited resolution of the motion is warranted. The statutory deadline for rendering a decision on the Company's application and the corresponding procedural schedule we have previously adopted justify this course. Accordingly, we direct UAE, as well as any other party desiring to be heard on the motion, to file its reply on or before Tuesday, April 12, 2011. **A designated hearing officer will hear legal argument on the motion at 10:30 a.m. on Thursday, April, 14, 2011. The hearing will take place in Rm. 451, Heber M. Wells Bldg., 160 East 300 South, Salt Lake City, Utah.**

In compliance with the Americans with Disabilities Act, individuals needing special accommodations (including auxiliary communicative aids and services) during this

proceeding should notify Julie Orchard, Commission Secretary, at 160 East 300 South, Salt Lake

City, Utah 84111, (801) 530-6716, at least three working days prior to the hearing.

DATED at Salt Lake City, Utah, this 7th day of April, 2011.
