DPU Data Request 10.38

**DPU Data Request 10.38**

For each hour in the period January 1, 2000 through the most recent period available, please provide the actual average regulating reserves and actual average operating reserves for the east and west sides of the Company's system. Please provide the data electronically via spreadsheet.

**Response to DPU Data Request 10.38**

Please refer to Confidential Attachment DPU 10.38 for a copy of the Company's reserves for the period January 1, 2004 to December 31, 2010. Confidential information is provided subject to Rule 746-100-16 of the Commission Rules. Data for periods prior to January 1, 2004 are not available.

Non-spinning contingency reserve held is detailed in the files for Monsanto, Nucor, Magcorp, Coolkeeper, and in the file for SCL reserves included in the attachment. Spinning contingency reserve and regulating reserve (a subset of the spinning reserve allocations reported) are reported in the files labeled "Spin Report" for each respective year. The Company does not distinguish between spinning reserve held for the contingency reserve requirement and spinning reserve held for regulating reserve.
