RE: Docket No. 10-035-124  
Additional Supporting Documentation

On January 24, 2011, Rocky Mountain Power filed an application, testimony, exhibits, and other documents in Docket 10-035-124. In their review of the exhibits and filing requirements documents with Company, the Division of Public Utilities suggested that additional back-up could be provided for Mr. Griffith's exhibits and for some of the information provided in response to R746-700-10.A.2 and R746-700-22.B.4. The DPU also recommended that the Cost of Service Instruction Manual should be provided.

While Rocky Mountain Power believes that it provided all of the information and documents required under R746-700, enclosed is a CD containing the suggested additional back-up information.

Please contact me at (801) 220-2923 if you have any questions.

Sincerely,

David L. Taylor  
Manager, Regulatory Affairs
