**Re: Docket No. 10-035-125: In the Matter of the Request of Rocky Mountain Power for Major Event Exclusion for the Weather-Related Events that Occurred on November 20-22, 2010 – Major Event 22**

Dear Mr. Larsen:

On December 15, 2010, the Public Service Commission received your Major Event Report claiming major event exclusion for the storm-related event of November 20 through November 22, 2010, and indicating Rocky Mountain Power will exclude outage information for this event from its network performance reporting and from customer guarantee failure payments.

On February 14, 2011, the Utah Division of Public Utilities filed a memorandum detailing its investigation of this event and recommending the Commission approve your application for major event exclusion.

By this letter, the Commission acknowledges receipt of your filing of December 15, 2010, as well as the Division's recommendation, and it is, therefore, approved as a Major Event. The Commission contemplates no further action in this docket.

If you have further questions or comments, I can be reached by phone at (801) 530-6716 or email at [jorchard@utah.gov](mailto:jorchard@utah.gov).

Sincerely,

/s/ Julie Orchard
