Re: *In the Matter of the Consolidated Applications of Rocky Mountain Power for Approval of Standard Reciprocal and Non-Reciprocal Pole Attachment Agreements (Docket No. 10-035-97)*

Dear Mr. Widerburg:

On August 6, 2012, Rocky Mountain Power and several intervening parties executed and filed a Settlement Stipulation in the above-referenced docket.

This letter is to inform the Utah Public Service Commission that New Cingular Wireless PCS, LLC d/b/a AT&T Mobility PCS ("ATTM") has declined to enter into the proposed Settlement Stipulation, and, as with other parties such as Crown Castle NG West Inc., formerly known as NextG Networks of California, Inc., will reserve its concerns with the draft agreement for separate discussions with Rocky Mountain Power. Cingular thanks the Commission for the opportunity to participate in this docket.

Please contact me if you have any questions.

Sincerely,

/s/

Roger Moffitt  
General Attorney
