Re: In the Matter of the Consolidated Applications of Rocky Mountain Power for Approval of Standard Reciprocal Non-Reciprocal Pole Attachment Agreements (Docket No. 10-035-97, formerly Docket No. 10-035-43)

The Division requests that the attached version of the DPU matrix be filed with the Commission in the above-captioned docket. Earlier today a version was filed that inadvertently left out many of the comments that were intended to be included in a final matrix. Please disregard that document and use the current one for discussion at the October 4, 2010 Technical Conference. We apologize for any confusion.
