<p><u>MINIMUM BILL:</u></p> <p>The minimum monthly charge under the above rate shall be the highest of the following:</p> <ol style="list-style-type: none"> 1. The basic charge 2. As determined in accordance with the rules and regulations. <p><u>ELECTRIC SERVICE REGULATIONS:</u></p> <p>Service under this schedule will be in accordance with the terms of the electric service regulations of the Cooperative as approved by the Cooperative's Board of Directors, and any regulatory authorities having jurisdiction.</p> <p>The optional time of use rate is voluntary and shall be applicable the first complete billing cycle after installation of the time of use meter. If the consumer requests to be taken off of the time of use rate, the appropriate standard rate tariff (Schedules 3A,) will be applied to the first complete billing cycle after receipt of the written request. The consumer shall be allowed to change to the time of use rate once and to change back to the standard residential rate once each during any twelve (12) month period.</p> <p>The on-peak and off-peak hours and days of the week as well as the winter and summer periods are subject to periodic adjustment at the sole discretion of the cooperative. In installations where the Cooperative provides a signal to customer equipment defining the on peak and off peak periods, the Cooperative will make every reasonable effort to ensure the validity of the signal. However should this signal fail, the Cooperative shall not be liable for potential higher billing that may result.</p>
