DOCKET NO. 11-035-T03  
ORDER SUSPENDING TARIFF  
MODIFICATION

ISSUED: April 27, 2011

By The Commission:

On March 28, 2011, PacifiCorp d/b/a Rocky Mountain Power (“Company”) submitted Advice Letter No. 11-T03 regarding proposed modifications to the Cool Keeper Program (Schedule 114) requesting an effective date of April 27, 2011. On April 20, 2011, the Division of Public Utilities (“Division”) and the Office of Consumer Services (“Office”) filed comments on the proposed changes. The Company states the proposed tariff modifications are designed to clarify the tariff and make the program administration more understandable. Both the Division and the Office recommend the Commission approve the Tariff but with modifications.

Since the Company, Division and Office are not in agreement on the appropriate language for this tariff, and the deadline for acting on the filing is imminent, the Commission must act to resolve this matter. Based upon the pleadings filed herein, the Commission will suspend the tariff filing pending further investigation of the proposed tariff change. After the Company responds to the suggested changes the Commission will take up this matter again.
